

CESI

NAME:	Gabriele CARBONI
DATE OF BIRTH:	April 26, 1953
NATIONALITY:	Italiana
EDUCATION:	Doctor's Degree in Physics, , Politecnico of Bologna (Italy), 1977
OTHER TRAINING:	Environmental impact: methodology analyses and applying, Politecnico of Milan (Italy), 1984 Air Pollution Modelling, Institute for Computational Mechanics (Southampton, UK), 1982 Physics of the Planetary Boundary Layer, International School of Atmospheric Physics (Erice, Italy), 1978 Short and Long Range Forecasting in the Mediterranean Region, International School of Meteorology of the Mediterranean (Erice, Italy), 1978
LANGUAGE AND DEGREE OF PROFICIENCY:	Italian <i>written</i> : Sufficient <i>read</i> : Sufficient <i>spoken</i> : Sufficient French <i>written</i> : Sufficient <i>read</i> : Sufficient <i>spoken</i> : Sufficient English <i>written</i> : Sufficient <i>read</i> : Sufficient <i>spoken</i> : Sufficient
COUNTRIES OF WORK EXPERIENCE:	Bindisi (BR) Brindisi Brindisi (BR) Civitavecchia Civitavecchia (Rm) Civitavecchia (Rome) Fusina (VE) Genova (GE) La Spezia and Civitavecchia Piombino (LI) Venice (VE)
EMPLOYMENT RECORD:	
FROM 2010	TO DATE
EMPLOYER	CESI - DIVISIONE ENGENNERING & ENVIRONMENT -ISMES Environmental Studies & Monitoring
POSITION HELD AND DESCRIPTION OF DUTIES	Project Manager Management of client job orders related to meteorological and air quality monitoring; noise and vibration measurements; bio-monitoring.
FROM 2007	TO 2010
EMPLOYER	CESI /ISMES Environmental ant land Division
POSITION HELD AND DESCRIPTION OF DUTIES	Manager Chief of the Environmental Diagnostic Unit. Coordinator of environmental diagnostics in the field of: meteorology, climatology, air quality, noise, vibration, electromagnetic fields, dispersion model applications.
FROM 2006	TO 2010
EMPLOYER	CESI SpA BU Atmosphere
POSITION HELD AND DESCRIPTION OF DUTIES	Project Leader Co-ordinator of: field measurement and dispersion evaluations; field

CESI

meteorological measure using standard and remote sensing instruments; field measurements of air quality.
Application of receptor model CMB8 to the site of Genoa.

FROM 2004	TO 2005
EMPLOYER	CESI S.p.A. BU Atmospheric group
POSITION HELD AND DESCRIPTION OF DUTIES	Scientific Manager Scientific manager of GAME-SINBA: Project related to the monitoring an air quality evaluation for the new configuration and cogeneration of the Piacenza Power plant to realise district heating. Scientific manager of MONAMB: project related to the greenhouse effect over Italy with the measure of CO2 at Plateau Rosa Station (3500 m a.s.l.)
FROM 2002	TO 2004
EMPLOYER	CESI S.p.A. (Italia) - B.U. Environmental- Atmospheric Group
POSITION HELD AND DESCRIPTION OF DUTIES	Manager Co-ordinator of: field measurement and dispersion evaluations; field meteorological measure using standard and remote sensing instruments; field measurements of air quality.
FROM 1997	TO 2001
EMPLOYER	Enel Produzione S.p.A. (Italia) - Unità Laboratorio di Piacenza
POSITION HELD AND DESCRIPTION OF DUTIES	Project Leader Project leader of Environmental Atmospheric Group. Coordinator of activity on meteorology and atmospheric dispersion. Project definition and operative and field activity organisation. Co-ordinator between ENEL and local authority. Production of technical reports on Planetary boundary layer measurements and dispersion evaluations. Execution of field measure using standard and remote sensing instruments. Data elaboration to prepare Environmental Impact Assessment of electrical power plant.
FROM 1996	TO 2000
EMPLOYER	University of Parma
POSITION HELD AND DESCRIPTION OF DUTIES	Contract Professor Teacher of Climatology and Meteorology at Environmental Sciences course
FROM 1989	TO 1996
EMPLOYER	ENEL S.p.A. (Italia) - Direzione delle Costruzioni - Unità Laboratorio di Piacenza
POSITION HELD AND DESCRIPTION OF DUTIES	Expert Engineer Chief of the environmental Group: meteorology and atmospheric dispersion. Project definition and operative and field activity organisation. Co-ordinator between ENEL and local authority. Production of technical reports on Planetary boundary layer measurements and dispersion evaluations. Execution of field measure using standard and remote sensing instruments. Application of models ISCST, ISCLT, NUVOLO; AVACTA II, SPRAY to

CESI

evaluate ground level concentration by point source emission

FROM 1980

TO 1989

EMPLOYER

ENEL S.p.A. (Italia) - Direzione Studi e Ricerche - Centro Ricerca Termica e Nucleare di Milano

POSITION HELD AND
DESCRIPTION OF DUTIES

Junior Researcher

Specialist in environmental system analisys in the filed of atmospheric physycs. Organisation of experimental campaign to measure the characteristics of Planetary boundary layer en evaluation of dispersion parameters. The activity is performed with different Italian University and is related to the organisation of field measurments.

At the end of measure other aspect are related to the application of dispersion and meteorological models for the evaluation of ground level concentration.

FROM 1978

TO 1980

EMPLOYER

TECNO GEO TOPOGRAFIA di Milano (Italia)

POSITION HELD AND
DESCRIPTION OF DUTIES

Junior Engineer

Execution of wind and temperature verticao profile in the atmosphere.
Analysis of collected data.

DETAILED TASKS ASSIGNED:

Project

Evaluation of fugitive emssions from handling of coal, ash, limeston and gypsum: measurements requests for the AIA control.

ENEL Produzione

Location

Brindisi

Year

2013

Position

Coordinator

Duties

Coordination of field measurements and data elaboration.

Project

Control of fugitive emission during handling of limestone, gypsum and ash by measurements of wet and dry deposition

ENEL Produzione

Location

Civitavecchia

Year

2012-2013

Position

Coordinator

Duties

co-cordinator of experimental design and data elaboration

Project

Analisis of the gas and particle plume structure during condensation events.

ENEL Produzione

Location

La Spezia and Civitavecchia

Year

2011-2014

Position

Coordinator

Duties

Coordination of the LIDAR and DOAS measurement made by CNR ISAC and elaboration of plant data and contemporary plume picture.

Project

Analisis of Civitavecchia network of air Quality data for the year 2009-2010-2011-2012-2013 and presentation in the ARPAL format.

ENEL Produzione

Location

Civitavecchia (Rome)

Year

2010-2014

Position

Coordinator

Duties

Co-ordinator of data treatement ad presentation

CESI

Project	Implementation of a protocol to control the emissions of coal dust from Brindisi coal stock. ENEL Produzione Brindisi 2010-2012 Coordinator Experimental design of location and type of measurement finalised to the control of the fugitive emissions
Project	Dust monitoring of the conveyor belt of Brindisi. Test of conveyor belt revamping TENOVA e CEMIT per ENEL SpA Bindisi (BR) 2009-2010 Coordinator Co-ordinator of measurements and data elaboration
Project	Measurements of wind and temperature vertical profile made by remote sensing instrumentations. Measurements of energy fluxes in the PBL with sonic anemometer and Meteoflux Station in the laguna area of Venice ENEL Venice (VE) 2009-2010 Coordinator Co-ordinator of measurements and data elaboration
Project	Air quality monitoring related to the improvement of the co-combustion coal & CDR in the 3 and 4 unit of Fusina power plant. Winter measurement (ante operam) and spring measurement (post-operam) ENEL Fusina (VE) 2008-2010 Coordinator Co-ordinator of measurements and data elaboration
Project	Implementation of a behaviour protocol to avoid of dust impact due to coal handling in the coal bunker ENEL Brindisi (BR) 2008 Coordinator Co-ordinator of measurements, data elaboration and definition of the protocol
Project	Monitoring of micro-pollutants (heavy metals, anions and cations, IPA) in atmospheric particulate and in wet and dry deposition in 4 station for a log period (over a year) to evaluate the contribution of the new coal power plant ENEL Civitavecchia (Rm) 2007 Coordinator Co-ordinator of measurements and data elaboration
Project	Model evaluation of benefit due to the reduction of gas emission from Genoa power plant. ENEL Genova (GE) 2007-2008

CESI

Position	Coordinator
Duties	Co-ordinator of data elaboration
Project	Evaluation of the contribution of nanoparticles emitted by an oil power plant.
Location	ENEL
Year	Piombino (LI)
Position	2007-2008
Duties	Coordinator
Project	Co-ordinator of measurements and data elaboration
Location	ENEL
Year	Genova (GE)
Position	2006-2007
Duties	Coordinator
Project	Co-ordinator of measurements and data elaboration
